

DRESS CODE POLICY

The dress code has been crafted to maintain a student body that looks respectable, conforms to Biblical principles of modesty, and yet is comfortable. The administration may make decisions regarding dress not specified here. Students must be in dress code to attend school. If not in approved dress code, the student will be asked to wait in the office until a parent or guardian brings proper clothing.

Although there is a link to approved school uniforms at Lands' End on our school website, the approved uniform vendors are JC Penny's, Kohl's, Sears, Wal-Mart, Target, Old Navy, Gap, the Children's Place, and Lands' End.

Pants **MUST** be from the school uniform pants section. They may be any uniform color, i.e. khaki, navy, or black. Pants, shorts, or skirts cannot be skinny, stretch, pencil, or tight in any fashion. Clothing should not have tears or rips.

Students are asked not to change out of school dress after school unless they are going directly to work from the school.

BCCS or Bobcat logos are obviously permitted and strongly encouraged on school or athletic apparel.
