SUMMER SPORTS INFORMATION

SPORTS PHYSICALS

Physicals are required every two years for any student participating in our sports program. If your child's last physical was done before **March 1, 2023**, they will need one this year. A physical by your own physician or one of the special area sports clinics is acceptable.

Student-athletes must be accompanied by their parents or have a signed parental consent form at the time of their physical. Students also are encouraged to have their WIAA Physical Forms filled out prior to their physicals. The forms can be downloaded from the WIAA website: <https://www.wiaawi.org/Portals/0/PDF/Forms/PPE-form.pdf>

Sports physicals need to be done and the paperwork turned in by August 1. Bellin does offer sports physicals through any of their FastCare clinics for a fee. No appointment needed, just walk in.

TEAMSNAAP

TeamSnap will be used as our main form of communication throughout this summer and fall season. Please refer to the team's TeamSnap page on the app for the summer practice session schedule. ***Please note: the basketball practice session schedule will not be found on TeamSnap throughout the summer. Please refer to the 2nd page for dates.***
